A Note from Pastor Toni

Dear Friends,
Perhaps you've read of Kolbie Sanders, a 24-year old from Tyler, Texas, who was going to get married. A few weeks before the wedding, she ended her engagement. Instead of keeping the venue and decorations for use at some future date, Kolbie decided to give the reservation—it cost \$3,500—to help out another couple. Local businesses found out what she was doing, and they stepped up to donate photography services, food, flowers and beauty salon services.

“I wasn't interested in keeping the venue for myself,” she explained. So, she decided to give it away to a stranger.

Sanders told her story on social media, and asked people to send her a message with their backstories, according to Lindsey Bever of The Washington Post (10/18/18). She put their names on slips of paper, filled a bowl, and picked out the name of “Halie Hipsher.”

“When I chose her name,” Kolbie remembers, “I was really excited. I immediately remembered her story, so I was really happy for her.” Hipsher has

explained that her grandfather had Stage 4 cancer, and she didn't think he would make it to walk her down the aisle if they waited another year. Because of the unexpected, sudden gift of the wedding venue, Hipsher's grandfather was able to attend her wedding.

“With my engagement ending, I've come to find tremendous peace in knowing that I did the right thing for the both of us. With that being said, now

A Note from Pastor Toni continued

(Continued from page 1)

I want to do the right thing by others and let some good come out of this decision.”

When people began stepping up and offering their services, she says, “It became a chain reaction of... donations.”

Things were tough when the Hebrew prophet, Habakkuk lived. The nation was under attack, people were terrified as they waited for their deliverance, and even the natural world seemed to have broken down. Despite the fact that the fig tree isn’t blooming, there is no produce on the grapevines and the olive crop withers, Habakkuk declares (3:18), “I will rejoice in the Lord. I will rejoice in the God of my deliverance.”

Things had gone

wrong, and yet together the prophet and his people chose joy, faith and life.

Will you be a part of a chain reaction of generosity by how you will return to God in 2019 a portion of what you have been given? Our giving isn’t about cost of living numbers or a line-item budget but it is about love. Are we growing in love? Are we growing in our walk with God?

Here is something to think about: If you are not in the habit of giving financially, you are invited to step up and experience the joy of being a part of God’s good work by beginning to give \$5 or \$10 each week. For the cost of breakfast at McDonalds or a coffee shop stop, you can know the joy of seeing God use your gifts to bless all sorts of people here and in other places, as well. Beginning to say thank you in this way will bring you joy!

If you are in the habit

of giving, you are invited to grow towards a tithe (giving 10% of your income or resources away to God and God’s work) by increasing the portion of your income you give by 1 or 2% this coming year. If you are one of those persons who gives 1 or 2% of your income to God, this growth in your giving and soul life will be a BIG step. It may mean an increase of 20% or 30% or 50% in what you give back to God.

Finally, if you are tithing, we celebrate your faithfulness! Keep going...keep leading! Perhaps now, if it's not already a part of your practice, it is a good time to think about leaving a legacy gift by making a planned gift to God’s future work through our church’s foundation. If you want the future to be better than the present, and you want to have a continuing influence for good as the years go by, consider not only being faithful in your current gifts but ex-

press your love for God with a legacy gift to the foundation.

In the next few days you will be receiving a letter and an opportunity to make a financial commitment to our church's ministries in 2019.

Please prayerfully consider your response and bring your commitment to worship with you on November 11, when we will share in a time of dedication and celebration. If you aren't able to be here on the 11th, please send or bring your form to the church

office by the following Sunday.

It's amazing what God can do when God's people choose joy, life, trust and generosity even when things have gone wrong.

In a moment of personal crisis, Kolbie Sanders decided to think of others and do something big!

Won't you be a part of the chain reaction?
