

First United Methodist Church

A Note from Pastor Toni

Dear Friends,

Robert's Park is a neighborhood in north Chicago near Loyola University and not so far from Garrett Evangelical Theological Seminary. I remember going there on a field trip while I was in seminary because of the diversity of their ministry.

It remains an ethnically diverse neighborhood, as well as one with stark contrasts in wealth and poverty.

There are multi-million dollar homes along the lake shore, and Single Room Occupancy units for low income individuals who share kitchens and bathrooms as an alternative to being homeless. Drug deals were being negotiated on the porch of the former parsonage next door before the deci-

sion was made that it would be best to tear it down. (It was in bad shape structurally so it wasn't just the activity outside that brought this decision). Gang members have been brought into the sanctuary by one of their pastors to protect them from flying bullets.

Every room in the church has been rented out in order to bring in needed income (The "rent" of some of the ministries/businesses is \$0 because they're not income producing but important to the residents in the area).

Among other services including AA and NA, there is an office of restorative justice in the basement, a couple of rooms where the weekly "feast" is served, and what they believe to be the oldest thrift shop in the nation. It occupies

one of the two storefronts designed into the church building when it was erected 100 some years ago.

Finances are always a struggle, and it's easy for folks to be discouraged. One of their pastors, Wesley Dorr, told a group I was with this week that when that happens, they do "asset mapping"—they begin listing out all they have and focus on these things. They focus on what God has given rather than what they don't have.

The amazing thing, Reverend Dorr told us, is that "we always pull through. We always end up receiving what we need. (For example,) on a couple of occasions we weren't sure we would be able to meet payroll.

And then a check showed up. We've been a day late, but we've always ended up having enough."

This unexpected encouragement comes from different places. They have a "sister church" in Downer's Grove, who walks alongside them and provides assistance for particular needs.

When they decided to use the former parsonage lot as garden space, someone

knew someone who helped design the area for them, and then another unexpected contact was

Prayer Time by Dorothy Steinke

Distractions do not have to derail our prayers.

When you pray, go into your room, close the door and pray to your Father who is unseen.

Fall is officially here. School's back in session, leaves will begin to turn and fall from the trees. The busy summer season is over and we begin another busy season. The Bible tells us there is a season for everything. We have three big holidays coming up - Halloween, Thanksgiving, and Christmas. The trick or treaters do not come to Windmill park and I miss the fun. Thanksgiving should be every day. During Christmas I enjoy all the church programs and times spent baking cookies for my family and just being with family. Fall also means I migrate south for the winter. I will be leav-

ing October 15. I keep in touch with the newsletter and e-mails and cards. The UMW group I belong to in Murray keeps me busy along with the other activities of the church.

Japanese Version of the 23rd Psalm

The Lord is my pacesetter - I shall not rush

He makes me stop for quiet intervals.

He provides me with images of stillness

which restore my serenity.

He leads me in the way of efficiency through

calmness of mind and his guidance is peace.

Even though I have a great many things to accomplish each day,

I will not fret, for His presence is here.

His timelessness, His all importance will keep me in balance.

He prepares refreshment and

renewal in the midst of my activity by anointing my mind with the oils of tranquility.

My cup of joyous energy overflows.

Truly harmony and effectiveness shall be the fruits of my

hours for I shall walk in the pace of my Lord

and dwell in His house forever.

Mission Witness

Integrating at a Lumad School where children from all 18 marginalized groups of Mindanao are found, helped me to be prayerful, humble and do the ministry of presence by understanding their struggles and sharing my faith stories.

Youth & Education News by Barbie Pickut

Save the Date--**Bringing in Christmas** is planned for Sunday, December 3, 2018.

Opportunities to serve our youth:

We are looking for one more person to be in the Junior Church teaching rotation. This would involve teaching approxi-

mately one Sunday per month using a curriculum that teaches a Bible story and worship practices. It's a great chance to help our children be part of the life of the church.

If you are interested in leading music for children's Sunday School or being part of an Ele-

mentary teaching rotation,

we could use your help to nurture our kids' faith.

Please contact **Barbie Pickut** at **574-870-4981** if you are interested in hearing more about these roles.

Greetings from The Well by Cindy Flagg

I'd like to share some scripture with you.

Ephesians 6:11-18

¹¹ Put on the full armor of God, so that you can take your stand against the devil's schemes. ¹² For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. ¹³ Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. ¹⁴ Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, ¹⁵ and with your feet fitted with the readiness that comes from the gospel of peace. ¹⁶ In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. ¹⁷ Take the helmet of salvation and the sword of the Spirit, which is the word of God.

¹⁸ And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

This is what we are studying at The Well for the next three weeks. We often think when we have struggles in our

lives that the "enemy" is our co-worker, or our neighbor, or a loved one who hurt our feelings, or the cashier at the local store, etc. NOT TRUE! Read verse 12!! Our struggle is against "the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms", our enemy is satan himself (I refuse to capitalize his name!!!) and all his helpers. I do not say this to scare anyone. It's just a fact. The Bible tells us so. I believe we need to know who the REAL enemy is so that we CAN put on our armor and stand firm against him! If you want to know more, come to The Well and join us for this study.

Other things happening at the Well in the next few months are as follows:

Sept. 30 – Carry-In Supper – Pancakes and Sausage are the Main Dish

Sept. 30 – The Praise Puppets – The Armor of GOD

Oct. 7 – Communion Sunday with Rev. Rose Woodke

Oct. 21 – Marty Miller in concert @ 5:00 p.m. IN THE SANCTUARY – Contemporary and Traditional Gospel Music

FRIDAY, Nov. 2 – Ron Vance @ 7:00 p.m. in The Well will present his program titled Bible Sticks. Ron is a pastor from Cincinnati, Oh. He carves walking sticks. Every stick tells a Bible

story!!! It is quite a beautiful craft and he will show and tell everything he does. Invite your family and friends and all the wood carvers you know!!! This is a one of a kind program!!!! For more info look at

www.biblesticks.org

TBA: Bible Trivia Quiz Night

TBA: Movie Night

Those are our upcoming events and as usual I am always looking for special music, poetry, skits etc. for The Well. Does your child play the piano or another instrument? We'd love to have him/her play for us. Do you recite poetry with special meaning? Come share with us!! Does your family or your Sunday School Class like to put on skits? You are welcome to try them out on us at The Well!!! Just give me a call @ 574-952-3661 and I will get you scheduled! Do you know someone who might sing for us? Share their name with me and I will give them a call!

Please continue to pray for the ministry at The well and if you know someone who might enjoy this relaxed atmosphere where you can come and be accepted as you are, feel free to invite them or share their name and I will invite them. Better yet – bring them with you!

Happy October and I'll see you at The Well!

Cindy Flagg

A NOTE FROM PASTOR TONI CONTINUED

(Continued from page 1)

able to secure supplies to build the beds for 85% off.

A youth group in Kansas traveled north and worked the design, and now a beautiful, productive garden offers vegetables and a vision of hope where things once looked pretty dreary.

“Count your blessings, name them one by one. Count your blessings, see what God has done.”

We can focus on the negative and get lost in feeling bad about what we don’t have—or, we can look at what we do have, give thanks, and pray for a vision of what God has in mind for us.

God has blessed us. First UMC has some great assets and we need to focus on those rather

than dwelling on what we don’t have. God has given us enough to bless people here and around the world.

David vs Lion

David had experience as a shepherd facing lions, and he had five smooth stones: it was enough. Nehemiah and his allies had enough to rebuild Jerusalem. The child in the crowd had a small lunch and with Jesus it was enough.

I want to invite you to pray about our God-given assets as a congregation. I want you to open

your eyes to the gifts (assets) God has given us. Then, let us use these assets or strengths to change the world and share the love of God with others.

When we focus on what we have been given, and put those gifts to work for Jesus and all the people he loves, the world will be different and we will know joy!

Look around. Listen. See the gifts, identity the assets, and then let’s put them to work!

What God has given us is more than enough!

In Christ’s love,

Toni

MAY 12 - 17, 2019 MIDWEST MISSION DISTRIBUTION CENTER

- Carol Beiter is the contact person for this trip.

JULY 6 - 14, 2019 MISSION GUATEMALA

It's time to start making airline reservations to get the best deal and keep everyone on the same flight. We have several people signed up, but we have room for others.

- Pastor Toni and Troy Spencer are the contacts for this trip. **Now's the time to get signed up or find out more.**

Financing Mission Trips:

For each mission trip taken, there is a fee we pay for supplies and materials, so that when our team arrives, everything we need to complete our work is on-site and ready to use. In addition to this material fee, for each participant there are expenses for room, board, and travel.

Mission Trips are not financed through the church budget, so we depend on money given in the baskets, fundraisers, and direct donations. In addition, each team member is asked to contribute a portion of their expenses.

Thanks to everyone who supported our Port-a-Pit Chicken sale!

Missions Commission Budget from Tithes and Offerings -

Funds we received from the church budget in 2018 have been used as follows. (We are requesting the same amounts for 2019.)

Locally – \$500 each to 1) Marshall County Neighborhood Center, 2) Boys and Girls Club; and 3) Heminger House.

Through the Indiana Conference, In the State of Indiana – \$300 to Broadway Christian Parish, South Bend; \$500 to Bashor Children's Home, Goshen.

Through the Indiana Conference, Worldwide - \$250 each to Disaster Relief in the United States (UMCOR) and Disaster Relief Internationally (UMCOR); and \$100 each to Operation Classroom (Liberia and Sierra Leone) and Mission Guatemala (Guatemala).

Through the Indiana Conference we support a missionary – \$2500 towards the salary of the Director of Henderson Settlement.

Thank you for your support!

KITCHEN REMODELING

The committee has completed the design for remodeling the kitchen and is working to finalize the budget. Colors and finishes have been determined. Most of the contractors have been selected, using local companies whenever possible.

- The Countertop Shoppe (Mike and Cindy Boener) for general contracting, cabinetry, countertops, and exhaust hoods.
- The cabinetry will be from Medallion Cabinetry, manufactured in Culver.
- Electrical work will be by Banner Electric in Plymouth.
- Huber's Carpet Outlet will provide the flooring.
- We are still working with 2 plumbers.

There will be volunteer opportunities available; dates and times to be determined. Here is some of what we will need help with (this list may increase).

- Removal of everything from the cupboards, including dishes, utensils, pots and pans, food, etc.
- Removal of the "overhead door" and the swinging door.
- Painting the walls and ceiling.
- Once construction is complete, final cleaning and putting everything away.

Financing: The proper procedures have been started to finance the kitchen remodeling, and you will be hearing more about that following the Church Council meeting in October.

Do you like to sell things on the Internet? We need your assistance! We are eliminating the stainless steel items in the kitchen and we need to find the right buyer who could use them in their small business or church kitchen. If you have talent in this area, please contact Marilyn Rans to volunteer.

Three things that please God most are true faith in God with a pure heart, a simple life with a grateful spirit, and generosity inspired by charity.
